I, \_\_\_\_\_ (the customer) understand that the warranty that was given to me by **Cooper Fix Appliance Repair Company** is limited and covers only the part/issue that was replaced or repaired before.

- The warranty does not cover any other parts on the appliance.
- The warranty does not cover any case of excessive or non-standard usage.
- The warranty does not cover clogs of any kind.
- The warranty will not take effect in a case of improper usage, and/or any damages caused directly or indirectly by the customer.
- The warranty will not take effect if any foreign objects enter the pumps, motors or any other mechanical parts.

### *When using the warranty service:*

It is my understanding that a charge of \$69 + HST will be applied if the original diagnostics does not match the initial problem.
